<b>E. Others (please specify)</b>			
1. Others: (please specify)			
<b>Total</b>			

**PROCEDURE LOGSHEET for BST Trainee rotating to A&E for EM Training ( \_\_\_ - \_\_\_ 20\_\_ )**

Trainee's English Name:  
Trainee's Chinese Name:  
Report Hospital:

Trainee should use the following logsheet to log his/her clinical skills and technique learned during the period of training.  
The clinical skill and experience should include the following categories:

A	Resuscitation and cardiac procedures
B	Airway management and IV access
C	General surgical procedures
D	Orthopaedic procedures
E	Others, e.g. bedside USG

Each new skill should better be discussed with/demonstrated by a Trainer, then practised under supervision before being practised independently.

Key:                    D=Demonstrated                    S=supervised practice                    I=Independent practice
